

Preparing to Welcome Jesus - A Pilgrimage to Bethlehem

Advent Retreat at Eagle's Wings Retreat Center on Dec. 4, 2021

This is a different - fun, faith-filled Advent experience for the whole family. We will begin with **Kathryn Whitaker** (author of "Live Big, Love Bigger") who will help us "**Prepare to Welcome Jesus**" in the morning session for the adults. While the adults are in the morning session the kids will be doing some crafty type stuff with the theme in mind. Then after lunch everyone will be invited to participate in an actual pilgrimage (although short) to Bethlehem and participating in some family craft time or free time on the grounds of EW. Mass will be at 4:00 pm for anyone that wants to stay. After mass you can head into Burnet for "Main Street Bethlehem" at the First Baptist church grounds (optional of course). Eagle's Wings will offer (for purchase) a sack lunch meal you can take with you while you wait in line for the "Main Street Bethlehem" entrance which starts at 6:00 pm. (Requires a free ticket to get in – so reserve ahead of time)

The pilgrimage will be an approximately .8 mile hike along the Holy Land Trail. There will be periodic stops to listen to Jesus's words along the trail. If you need golf cart assistance along the trail please let us know.
